February 24, 2022

Dear Heritage Club Members & Friends,

Maybe one of these days' things will get back to normal, or the new normal will settle in!

We here at FNB are moving right along with our merger with Midwest One. They are doing everything in their power to make this a smooth transition for the employees and ultimately for all of our loyal customers. I think you will all be pleasantly surprised at how easy the transition will be for you. It is so very sad to say good-bye to our First National Bank in Fairfield, but since someone was going to buy us, I am glad that it is Midwest One Bank. They are already established in our community and are well known for all they do for our community.

Midwest One
Bank.

I am so excited that Midwest One sees the value of our club and they definitely want the club to continue. I have the "ok" to get busy on planning the rest of 2022.

I want to send out a big thank you to our Florida travelers!!!! Despite the coldest weather our part of Florida had experienced in 17 years, we all managed to have a wonderful time! Treasure Island is a real treasure! We had a lovely hotel right on the beautiful beach and despite the cold weather people walked the beach and collected shells daily. We hopped on and off the trolley that ran from Treasure Island north to Clearwater beach and south to St Petersburg beach from early morning to late at night. We hardy lowan's (with one Georgian & one Texan) survived a boat ride in the rain to learn about the sponge divers, we went on a sunset party boat and despite not seeing the sun set, due to so many clouds, we made the best of it and got up and danced to some great rock & roll music led my our dear, sweet, innocent Ms. Reva!!! Our fish lovers definitely go their fill of wonderful fresh fish! We ate Greek food, Cuban food and Italian food! Some of us went to the Chihuly museum in St Petersburg which was a highlight for me! Best of all was our special group of travelers who are so very kind, help each other, love life, always have a smile, love to travel and have a great time despite some cold weather and rain! THANK YOU ALL SO VERY MUCH!!!!

It was with deep regret that after many attempts to travel to Great Britain, we ended up cancelling the trip. Still too much uncertainty with Covid and just our crazy world in general! We will plan another extended trip, but it will be within the United States this year!

I am working on a trip to Cape Cod for June 19-25, 2022 and also am trying to get day trips planned and a 2-4 day trip planned for the rest of the year.

This letter is going out with not much finalized yet, but I wanted you to know things are in the works. I may need to send another letter out in mid- March once I get other trips planned.

We do have a fun trip planned for April 19 that I needed to let you know about in order to determine if there is enough interest in going! When I first saw the itinerary I dismissed it, but after reading the itinerary I think it will be a fun trip down memory lane! I'm not much of an "old" country music fan, but I think this is a great lineup and I'm betting we have several of you who do love this music.

April 19, 2022 – THE OZARK JUBILEE – RIVERSIDE CASINO RESORT CENTER

We will be going to the Riverside Casino Resort's event center for a delicious lunch followed by a show direct from Branson. The Ozark Jubilee presents: "Stars of the Grand Ole Opry" featuring Branson's funniest Comedian & World Class Fiddler. The all-star cast of the Jubilee will be performing the music of the Great Stars of the Grand Ole Opry. From Roy Acuff, Patsy Cline, Tammy Wynette, Ray Price, George Jones, Merle Haggard, Charlie Pride, Porter Waggoner and many more. This year the Jubilee features the Australian Sensation, "Jennifer Simmons" who has traveled the world and performed with many of the Opry stars. The new male vocalist for the Jubilee is "Doug Driesel", a Phenomenal Vocalist who has a 5-octave range! (Before or after the show) you will have a little time to try your luck in the Casino if you would like or shop or visit with your friends.

Once again, this is a very short sell time so please don't delay in signing up for this fun day! We will need 25 to make it a "go" and the payment is due by March 16!!! Please see the enclosed Itinerary.
